REDISCOVERING AN AMERICAN TREASURE - AFRICAN-AMERICAN ...

Some people originally from other countries who live in the U.S. accept African American because of its cultural and historical roots in the black experience that is specific to this country.

Recovering African-American furniture and its history ...

The direct-to-consumer business model has become increasingly popular in recent years, with brands like Warby Parker and Brooklinen becoming household names, and Maiden Home is using the same strategy to sell its American-made furniture. This brand sells its high-quality furniture online, skipping traditional retail stores, to minimize retail markup and keep costs affordable for buyers.
