These poems would be performed from memory at feasts or other public gatherings as part of an oral story-telling tradition. Sometime in the eleventh century, two scribes preserved Beowulf in writing, creating the single manuscript of Beowulf we have today. The original poem and the poet were pagan, but the scribes were Christian and added Christian details to the poem: the poem now calls God the ultimate judge and ruler and even refers to events in the Old Testament.

Beowulf is set during a time when warring tribes populated England and Scandinavia. Violence was a part of life, but it wasn't a free-for-all. If you killed somebody, their relatives might demand reparation (i.e., payback) in the form of wealth—or your life. Christian and Pagan values, all mixed up.
