Lots of children develop these skills in their everyday life without thought or intention. More and more children are entering child care / preschool in the years prior to Kindergarten where their carers make sure children are developing their fine and gross motor skills. Some children move through the development stages easily, but others do not.

Early Learning • ZERO TO THREE

Vocabulary, knowing the names of things, is an extremely important skill for children to have when they are learning to read. Most children enter school knowing between 3,000 and 5,000 words.

Top Skills Taught To Children In Early Childhood Education ...

When it comes to early math exposure, the research is clear — mathematical thinking early on helps “form a foundation for general cognition and learning.” In fact, children’s knowledge of mathematics in pre-K is a strong predictor of later achievement, even into high school.

play, the active exploration of their environment, and, most importantly, through interactions with the significant adults in their lives.

Early Literacy - Get Ready to Read

It's a holistic philosophy that's being embraced in the world of early learning, in places like C&K. C&K has cared for more than one million children since opening its doors in 1907, and if there's one thing they've seen first-hand it's that focusing on social and emotional growth through play creates lifelong skills in under-fives - ones that go well beyond ABCs and 123s.

Early learning skills: 5 important things for under-fives.

Early Learning Skills | Staples

it's important to exercise a child's mind at a young age. Launching Success carries a full line of early learning activities, games, toys, puzzles and flash cards.

Amazon.com : Carson Dellosa Early Learning Skills/Learning ...

While it's true that children learn more in their first three years than ever again, it's between ages three and five that they acquire the skills necessary for school. As children's attention span, memory and language skills develop, they also become increasingly more sophisticated and social—qualities they'll need for preschool.
