Chem20204 Environmental Chemistry

This textbook is geared to an audience that has only completed general chemistry. Many examples of complicated material, explained in easy-to-understand language, are sprinkled throughout the book. The authors do a thorough, nonjudgmental job of explaining how humans impact the environment and what steps if any have been taken to remedy problems.

Environmental Chemistry, 3rd edition (Baird, Colin; Cann ...

With authoritative coverage that balances soil, water, and air chemistry, the new edition again focuses on the environmental impacts of chemical production and experimentation, offering additional "green chemistry" sections and new case studies, plus updated coverage of instrumental analysis, farming applications, bioengineering, and biotechnology.

Bing: Environmental Chemistry Baird 5th Edition

With an updated and balanced coverage of soil, water and air chemistry, the fifth edition pays close attention to the environmental impacts of chemical production and experimentation. A textbook that stands out from others looking at environmental chemistry as it makes these environmental problems accessible to students.
