Correlating ethics with leadership, we find that ethics is all about the leader's identity and the leader's role. Ethical theories on leadership talk about two main things: (a) The actions and behaviour of leaders; and (b) the personality and character of leaders. It is essential to note that "Ethics are an essential to leadership". A leader drives and influences the subordinates / followers to achieve a common goal, be it in case of team work, organizational quest, or any project.
