Then just as you begin to get used to the new way of life as a family, you find out that your family is growing again. You're having another baby!

Why family separation is growing into a 'global crisis ...

Growing up in a big family has been a blessing for me and has definitely shaped me into the person I am today. Some of my best friends and people I look forward to seeing are my cousins, and I love saying that. We all know that when we get married we will be in each others' weddings and that we have an inseparable bond.

Positive family “esteem” is a critical element for us when we talk about our mental health. It’s just as important as the feeling of being loved and belonging. If the relationship between a child and their parents is abusive, then the child may start having problems with their inner world, their identity, and their self-esteem. This leads to negative effects like anxiety and even depression.
