Living from Our Core Values | Psychology Today

Values are about what you consider important to the life you want to live. They inform your priorities and, when practiced consistently, form the character you want to have. They're rooted in your core beliefs about what makes for a life well-lived and about the behavior you want to model for others (including children if you have them).

Happiness is the Value of Every Moment - Tiny Buddha

But even after, it was only when she again started living her values that she was able to rebuild her life and happiness. The tricky thing about values, though, is that we all hold different ones.

The Happiness Value of Work-Life Balance | Inc.com

Happiness to me is a state of acceptance/love for yourself and the world we live in with all of its experiences, “good” or “bad”. It is a feeling of truly belonging beyond any doubt. Its value I would say is priceless. It is worth all the hardships, struggles, tough and harsh times we go through in finding this state of mind within ourselves.

VALUES WORKSHEET (Adapted from Kelly ... - The Happiness Trap

Eudaimonic happiness/well-being conceptualizes happiness as the result of the pursuit and attainment of life purpose, meaning, challenge, and personal growth; happiness is based on reaching one’s full potential and operating at full functioning
