Introduction To Community Health 7th Edition

health problems/issues you will deal with first. Just because a health issue doesn't make it to the "top of the list" does not mean that it will never be considered in later years. • Explain that they can prioritize chronic diseases AND risk factors, for example, breast cancer, hypertension, obesity, and smoking. 1 minute Slide 5 •

Introduction To Community Health Mckenzie 7th Edition ...

Why analyze a community health problem? •To know the facts about this problem •To credibly communicate this information to others •To raise community awareness of the importance and seriousness of this health issue. •To be able to compare the problem in your own county/small area/tribe etc. against the same problem in others.
