Lying Awake by Mark Salzman is a beautiful portrait of faith. It describes the struggle of one nun coming to terms with the price of her faith and how her decisions affect those around her. Sister John of the Cross believes the visions and headaches she has been having are divine ecstasies but a medical diagnosis reveals she has epilepsy due to a small growth on her brain.

SuperSummary

Mark Salzman's book Lying Awake won critical acclaim upon publication in 2000. Salon Magazine marveled that a successful agnostic at home amidst the cultural elite could write a book like Lying Awake, especially after struggling for six labor-intensive years to craft it. Once Salzman realized what made him similar to Sister John--his faith in writing, which often verges on the sacrificial and the illusory--he wrote the book in five weeks.
