Making Sense of the Narcissistic Mind | Psychology Today

Awareness becomes the means of freeing consciousness from its "defilements," its unwholesome conditioning factors, and is thus the tool for liberating the mind from suffering. This is what Buddhist insight has to offer the contemporary understanding of mind.

Making sense of sleeping pills and minor tranquillisers ...

1 any of the faculties by which the mind receives information about the external world or about the state of the body. In addition to the five traditional faculties of sight, hearing, touch, taste, and smell, the term includes the means by which bodily position, temperature, pain, balance, etc., are perceived

Making Sense - | Firing The Mind

Making Sense of the Mind By Andrew Olendzki Consciousness is a profound mystery. It is as much a mystery today as it has ever been. It is the one natural phenomenon that continues to elude scientific understanding, and any discussion of consciousness has always been deeply embedded in the context of religion.

Making Sense Mind

In Making Sense, Simon Penny proposes that internalist conceptions of cognition have minimal purchase on embodied cognitive practices. Much of the cognition involved in arts practices remains invisible under such a paradigm. Penny argues that the mind-body dualism of Western humanist philosophy is inadequate for addressing performative practices.

Making Sense of the Mind - Inquiring Mind

Making Sense collects together a group of major and minor characters, some real, some imaginary, who set out to make sense of life together by opening the social media gate between Reality and Fantasy. A survey of Martin Stanton's own thinking and feeling on his original psychoanalytic odyssey across becalmed seas, random conversations with a therapeutic parrot, stranded for a while with Socrates on the black sandy beach of Paradise, he explores how a bezoar stone, a caddis insect, and a ...
