Origami Jumping Frog Instructions and Diagrams

Once your frog is folded, press down on the folded “legs” with the tip of your finger, then quickly slide your finger off to make the frog jump. Depending on how hard you push the legs down, you might be able to get the origami frog to make one perfect flip in the air and land on its feet again. It’s fun to try to jump the frogs into targets, or just see whose frog jumps the furthest.
