The Patient-Centered Outcomes Research Institute (PCORI) is an independent NGO authorized by Congress to fund research designed to help patients, clinicians, purchasers and policymakers make more informed health decisions.

### **What is PCORI's resubmissions policy? - PCORI Help Center**

Guidelines for Designing Patient-Centered Research Initiatives PCORI's Patient Engagement Rubric helps healthcare researchers design patient-centered study protocols, making initiatives more relevant to patients and their caregivers.

### **Funding Opportunities | PCORI**

What are PCORI's guidelines for treatment cost/coverage? The delivery system, payer, manufacturer, or developer of the intervention must cover costs for study interventions. Given the reimbursement barriers often associated with nonpharmacological alternatives to opioids, the applications must specifically address, in the context of the proposed studies, the support from payers, health plans, industry sponsors or others in covering the study interventions.
