Liturgy is the customary public worship performed by a religious group. As a religious phenomenon, liturgy represents a communal response to and participation in the sacred through activity reflecting praise, thanksgiving, supplication or repentance. It forms a basis for establishing a relationship with a divine agency, as well as with other participants in the liturgy. Technically speaking, liturgy forms a subset of ritual. The word liturgy, sometimes equated in English as "service", refers to

The liturgy was in ancient Greece a public service established by the city-state whereby its richest members, more or less voluntarily, financed the State with their personal wealth. It took its legitimacy from the idea that "personal wealth is possessed only through delegation from the city". The liturgical system dates back to the early days of Athenian democracy, but gradually fell into disuse by the end of the 4th century BC, eclipsed by the development of Euergetism in the Hellenistic perio
