### 1960s: Counterculture and Civil Rights Movement | HISTORY ...

1 The extent to which popular music became a vehicle for popular protest during the Tiananmen movement of 1989, however, was unprecedented. Throughout the movement (as Craig Calhoun previously noted in Chapter 4), popular music—and in particular the rock music (yaogun yinyue) that emerged in Beijing in the late 1980s as an "underground" alternative to state-run popular music (tongsu yinyue)—served as a powerful means for the public expression of political and cultural dissent.

### Popular Culture & Politics

Regardless of the political background of such examples, popular culture elements are helpful tools for protesters. Not only do they mirror common concepts that bring together all protests but they...

### Popular Protest And Political Culture In Modern China ...

A protest is a public expression of objection, disapproval or dissent towards an idea or action, typically a political one. Protests can take many different forms, from individual statements to mass demonstrations. Protesters may organize a protest as a way of publicly making their opinions heard in an attempt to influence public opinion or government policy, or they may undertake direct action in an attempt to enact desired changes themselves. Where protests are part of a systematic and peacefu

Overview. Collective violence, in the form of popular protest, was one of the principal ways in which people resisted the expansion of capitalism and the state throughout the nineteenth century. The nature of this protest can be charted through three different, but related examples: grain riots across Europe in the first half of the century, the mythical figure of Captain Swing in England, and the Demoiselles of the Ariège in France.
