Private Equity Accounting,

When you invest in a private equity fund, you are investing in a fund managed by a private equity firm—the adviser. Similar to a mutual fund or hedge fund, a private equity fund is a pooled investment vehicle where the adviser pools together the money invested in the fund by all the investors and uses that money to make investments on behalf of the fund. Unlike mutual funds or hedge funds, however, private equity firms often focus on long-term investment opportunities in assets that take ...
