### Sebastião Salgado: Genesis - For Sale on Artsy

Genesis is the third long-term series on global issues by world-renowned photographer Sebastião Salgado (born Brazil, 1944), following Workers (1993) and

Migrations (2000). The result of an eight-year worldwide survey, the exhibition draws together more than 200 spectacular black and white photographs of wildlife, landscapes, seascapes, and indigenous peoples—raising public awareness about the pressing issues of environment and climate change.

<p>"In GENESIS, my camera allowed nature to speak to me. And it was my privilege to listen." -Sebastião Salgado</p><p>On a very fortuitous day in 1970, 26-year-old Sebastião Salgado held a camera for the first time. When he looked through the viewfinder, he experienced a revelation: suddenly life made sense. From that day onward-though it took years of hard work before he had the experience ...

“GENESIS offers a stunning visual antidote to the tougher, bleaker side of

Salgado's output...here, the focus is not on the erosive forces of development but on the regenerative potential of awe. He crowns his project with a biblical title that suits the majesty of his subjects and offers the work as a beautifully articulated prayer for preservation and respect."
