The app is being really odd. It's randomly rounding 1.5 to either 2 syns or 1 syn. The app doesn't always refresh back to 15 each day and when I delete a syn from the diary again the amount doesn't refresh. I have no idea how many syns I've had which is the point of the app. I know it's still in development though so keep going with it!

### **Slimming World on the App Store**

This Slimming World food diary printable is great for older members who aren't smart-phone savvy. Cons: This printable food diary looks like it was designed for children, and you have to join Slimming World (r) for it to make any sense (it costs £5-10 per week). The science behind their "free" and "super-free" food lists is hard to verify and some high-glycemic food recommendations (i.e., pasta) may not be suitable for people with blood sugar problems like insulin resistance ...
