The unrelated stories are tied together by the frame device of "The Illustrated Man", a vagrant former member of a carnival freak show with an extensively tattooed body whom the unnamed narrator meets. The man's tattoos, allegedly created by a time-traveling woman, are individually animated, and each tells a different tale. All but one of the stories had been published previously elsewhere, although Bradbury revised some of the texts for the book's publication. The book was made into the 1969 fi
