Robert Moses was an American public official who worked mainly in the New York metropolitan area. Known as the "master builder" of mid-20th century New York City, Long Island, Rockland County, and Westchester County, he is sometimes compared to Baron Haussmann of Second Empire Paris, and was one of the most polarizing figures in the history of urban development in the United States. His decisions favoring highways over public transit helped create the modern suburbs of Long Island and influenced

*The Power Broker: Robert Moses and the Fall of New York* is a 1974 biography of Robert Moses by Robert Caro. The book focuses on the creation and use of power in local and state politics, as witnessed through Moses' use of unelected positions to design and implement dozens of highways and bridges, sometimes at great cost to the communities he nominally served. It has been repeatedly named one of the best biographies of the 20th century, and has been highly influential on city planners and politic
