Employees who work in the private-sector do not, as a rule, have First Amendment protection for their speech in the workplace. On one level, a private sector employer could take the absence of a direct First Amendment right as providing free rein to discipline, terminate or retaliate against employees for their speech in the workplace.

## **Freedom of speech - Wikipedia**

Freedom of speech is a principle that supports the freedom of an individual or a community to articulate their opinions and ideas without fear of retaliation, censorship, or legal sanction. The term "freedom of expression" is sometimes used synonymously but includes any act of seeking, receiving, and imparting information or ideas, regardless of the medium used. Freedom of expression is recognized as a human right under article 19 of the Universal Declaration of Human Rights and recognized in in

So-called "right to work" laws undermine workers' freedom to band together and form unions with the resources workers need to speak with a powerful voice. These laws are designed to drain resources from workers' organizations by allowing people to benefit from union representation without paying for it.
