The Transformation of World: A Global History of the Nineteenth Century is an absolutely fabulous tome on various aspects of the world in the "long Nineteenth Century," beginning sometime in the late 18th century and finishing around World War One.

## **The Transformation of the World - A Global History of the ...**

Sociological theories tell us that the world is the “environment of all environments,” the ultimate possible context for what happens in history and the account we give of it. The tendency to transcend the local becomes stronger in the *longue durée* of historical development.

## **The post-pandemic, socially conscious transformation of ...**

Indispensable for any historian, *The Transformation of the World* sheds important new light on this momentous epoch, showing how the nineteenth century paved the way for the global catastrophes of the twentieth century, yet how it also gave rise to pacifism, liberalism, the trade union, and a host of other crucial developments.

## **The Transformation of the World: A Global History of the ...**

*Transformation of the Roman World*, a 5-year scientific programme, during the years 1992 to 1997, founded via the European Science Foundation. The research project was to investigate the societal transformation taking place in Europe in the period between Late Antiquity up to the time of the Carolingian dynasty.

## **Hollywood Stars Demand ‘Radical Transformation’ Of World ...**

Pollution, climate change, and the destruction of our remaining natural zones has brought the world to a breaking point. For these reasons, along with increasing social inequalities, we believe it is unthinkable to “go back to normal.” The radical transformation we need – at all levels – demands boldness and courage.
