for African-American men interested in identifying issues and solutions related to Black people living in America and globally. This group will discuss contemporary issues such as fatherhood, manhood, relationships, and technology.

### **Visions For Black Men**

Visions for Black Men by Na'im Akbar (1991, Paperback) A must read for teenage black males. It brings to light the falsehoods of being a man by breaking down the difference between being male/boy/man. This book is a blue print to manhood. You will want more after reading this book. A must have.

### **Visions for Black Men by Na'im Akbar - Goodreads**

Vision Statement To be a major contributing force in stopping the self-destruction of the Black race. To be living, breathing examples – both adult and youth – that exemplify the idea that anything is possible if you have respect for one another and are willing to work hard enough to accomplish your goals.
