Joan C. Williams on "class cluelessness"—a book review by ...

In *White Working Class*, Joan C. Williams, described as having "something approaching rock star status" by the New York Times, explains why so much of the elite's analysis of the white working class is misguided, rooted in class cluelessness. Williams explains that many people have conflated "working class" with "poor"--but the working class is, in fact, the elusive, purportedly disappearing middle class.
